The Accrediting Commission will be providing training jointly with the California Department of Education for principals, self-study coordinators and other self-study leaders. The topics to be covered in part two include:

- the gathering and analyzing of data about students and student achievement

Part three of this series will be a one day follow-up that will be conducted in the Fall of 2012.

As emphasized at Part I training in November, please plan to share the following **drafts** at the upcoming March training:

- (4) a progress report
